

Division 1 Trials - Player Flyer (8 Sep 2018)

1 National Playing Style and Coaching Philosophy

In line with the FFA National Curriculum, we at GPFC are looking to build the game in line with a national playing style being:

- **A proactive brand of football, based on effective possession with the cutting edge provided by creative individuals**
- **Defensively the key components are quick transition and intelligent collective pressing**
- **The playing style is underpinned by a strong 'team mentality', capitalising on Australia's traditional strengths**

The FFA, Football NSW and PlayFootball coaching philosophy includes 4 main components **Technical, Tactical, Physical and Mental**

We are heading towards game specific experiences which allow skills to be developed in an environment of rapid change, this in turn creates experience where skills and decisions are being mixed constantly. So, we are moving towards **Perception-Decision-Execution** decisions skills in our young players.

2 Division 1 Trials for 2019 Teams (Starting Nov 2018)

The trial dates are currently under development and will be posted on the GPFC website when they are available. To participate in the GPFC Division 1 trials you will need to complete an **'Expression of Interest'** (EOI) form prior to the trial date. This allows GPFC to understand numbers of players trialling as well as manage the administration of players on the day. If you do not complete an EOI form prior, you may be turned away from the trial.

The links to the EOI will be made available via the GPFC website. The trials will be held over a minimum of 2 nights and any player with difficulty in attending should complete the EOI form and additionally notify the club of any issues with attendance.
