HISTORY

In 1994, a group of people got together, led by the clubs founding President Graham Rowling, to form a grassroots football club in Glenmore Park. Our initial committee was Graham & his wife Michelle Rowling, Frank Kador and Mario Zrinski. Together they entered five junior non-competitive sides and five competitive sides registering a total 125 players.

The foundations were then laid, and for the next 14 seasons, Graham continued in his role as President, amongst many other duties to build and grow the Glenmore Park Soccer Club, as it was originally known. The club changed it's name to Glenmore Park Football Club in 2009, but not it's purpose of growing football in the Glenmore Park community and within the Nepean Football Association.

Today, the club has grown to be the largest club by player registrations within the NFA, registering over 1,100 players each season and developing talented junior players that represent the club and have gone onto playing in our Premier mens teams, as well as gaining selection in Nepean FC representative State League teams. Let's not also forget our senior players in our O35/45 squads who have been with the club since its very inception.
